**Our vision is to provide:** Dynamic, value driven leadership, developing and maintaining diversity within our Association whilst maintaining the integrity and ethical practice of pre-hospital care practitioners. Our Association provides leadership to promote pre-hospital care, to improve health care for individual's families, groups and communities and shape pre-hospital care policy for the delivery of health services. NASRA will provide a variety of communication vehicles, to assist members in their growth and development as leaders and facilitate internal and external liaisons for the Association. Providing learning and growth in herent in relationships, partnerships and networks with advocacy, consumer and other professional groups. Maintaining careful allocation and prudent stewardship of the Associations resources.

**Our aims and objectives are:**

To promote and protect the interests of our members and in particular to provide professional and industrial leadership for the statutory pre-hospital profession.

To improve statutory rights and benefits of members with improved salaries and conditions of work, through to representing members in relation to work matters.

To improve career progression and the personal development of our members.

To ensure a healthy and safe workplace for our members.
